

## **Lots of fresh food for little, directly from the farmers**

**Operation Food Freedom (OFF)** is an initiative of the farmer collective Local2Local to make fresh vegetables, fruits and other produce accessible and affordable. The Baaibuurt Collectief on Zeeburgereiland wants to start an OFF pickup point at the end of January 2024 and for this we are recruiting customers in the area. This means:

- lots of fresh food, straight from the farmers...and affordable;
- you subscribe in advance to 4 weekly deliveries, this prevents trading risks for the farmers;
- you receive 7.5-9 kg of fresh seasonal vegetables, fruits and eggs (variable) every week for a fixed weekly price of € 17,50;
- we simply arrange our fresh, healthy food together;
- share this with your family, neighbors, friends and network!
